Trip Cancellation and Interruption

The Insurer will pay this benefit up to the Maximum Limit shown on the Schedule of Benefits if a Trip is canceled or interrupted due to any of the following unforeseen reasons: (a) Sickness, Injury, or death of an Insured, Immediate Family Member, Traveling Companion, or Business Partner. Injury or Sickness must be so disabling as to reasonably cause a Trip to be delayed, canceled, or interrupted; (b) Inclement Weather conditions causing delay or cancellation of travel; (c) the Insured's principal residence or Destination being made uninhabitable by fire, flood, or similar Natural Disaster, vandalism, or burglary; (d) the Insured being subpoenaed, required to serve on jury duty, hijacked, or quarantined; (e) being involved in or delayed due to an automobile accident en route to departure; (f) Strike, resulting in the complete cessation of travel services at the point of departure or Destination; (g) Termination of employment or layoff affecting the Insured or his/her Traveling Companion; must have been with the same employer for at least five continuous years; (h) Military duty (if within 30 days of departure, the Insured has his/her leave revoked or the Insured is reassigned); (i) a Terrorist Incident in a City listed on the Insured's itinerary within 30 days of the Insured's scheduled arrival. **"City"** means an incorporated municipality having defined borders and does not include the high seas, uninhabited areas, or airspace; (j) the Insured is obligated to a transfer of 250 or more miles by the employer with whom the Insured is employed on the effective date of the Insured's Trip Cancellation coverage which requires the Insured's principal residence to be relocated; or (k) named hurricane causing cancellation of travel to the Insured's Destination that is inaccessible or uninhabitable. The Company will only pay benefits for losses occurring within 30 calendar days after the named hurricane makes the Insured's Destination uninhabitable or inaccessible. An Insured's Destination is inaccessible if he or she cannot reach the property by the original mode of transportation. Benefits are not payable if a hurricane is named on or before the effective date of the Insured's Trip Cancellation coverage. This coverage does not cover

loss caused by: (i) carrier-caused delays including an announced, organized, sanctioned labor union Strike that affects public transportation, unless the Insured's coverage effective date is prior to when the Strike is foreseeable. A Strike is foreseeable on the date labor union members vote to approve a Strike; (ii) travel arrangements canceled or changed by an airline, cruise line, or tour operator, unless the cancellation is the result of Inclement Weather; (iii) changes in plans by the Insured, an Immediate Family Member, or Traveling Companion, for any reason; (iv) financial circumstances of the Insured, an Immediate Family Member, or a Traveling Companion; (v) any business or contractual obligations of the Insured, an Immediate Family Member or a Traveling Companion; (vi) Default by the person, agency, or tour operator from whom the Insured bought his/her coverage or purchased his/her travel arrangements; (vii) any government regulation or prohibition; (viii) an event or circumstance which occurs prior to the Insured's coverage effective date.

Trip Cancellation Benefits: The Insurer will pay this benefit up to the Maximum Limit shown on the Schedule of Benefits for Trips that are delayed or canceled before the scheduled Contracted Departure Date. The Insurer will pay forfeited, non-refundable, unused prepaid payments or deposits if the Insured's Trip is canceled due to the reasons shown at the beginning of this section.

The Insurer will pay the Insured's additional cost as a result of a change in the per-person occupancy rate for prepaid travel arrangements if a Traveling Companion's Trip is canceled due to reasons shown at the beginning of this section, and the Insured's Trip is not canceled.

Trip Interruption Benefits: The Insurer will pay this benefit up to the Maximum Limit shown on the Schedule of Benefits for Trips that have been interrupted or delayed, due to the reasons shown at the beginning of this section. The Insurer will pay for the following: (a) unused prepaid payments or deposits for the Insured's Trip if the Insured's Trip is interrupted; or (b) additional transportation expenses incurred by the Insured, either (i) to the Return Destination; or (ii) from the place that the Insured left the Trip to the place that the Insured may rejoin the Trip; (c) additional transportation expenses incurred by the Insured to reach the original Trip Destination if the Insured is delayed, and leaves after the Contracted Departure Date. However, the benefit payable under (b) and (c) above will not exceed the cost of economy airfare (or first class if the Insured's original tickets were first class) by the most direct route, less any refunds paid or payable; (d) the Insured's additional cost as a result of a change in the per-person occupancy rate for prepaid

travel arrangements if a Traveling Companion's Trip is interrupted, and the Insured's Trip is continued.

Trip Delay

The Insurer will reimburse up to \$100 a day to the Maximum Limit shown on the Schedule of Benefits if the Insured's Trip is delayed for 12 or more hours for Reasonable Additional Expenses until travel becomes possible. Incurred expenses must be accompanied by receipts. This benefit is payable for only one delay per booking, per Trip. Trip Delay must be caused by: (a) Common Carrier delay; or (b) lost or stolen passport, travel documents, or money; or (c) quarantine; or (d) Natural Disaster; or (e) Injury or Sickness of the Insured or Traveling Companion.

Baggage Delay

The Insurer will reimburse incurred expenses up to \$100 a day to the Maximum Limit shown on the Schedule of Benefits for Baggage which is delayed or misdirected more than 12 hours for the cost of necessary personal effects. Incurred expenses must be accompanied by receipts. This does not apply if Baggage is delayed after the Insured reaches his/her Return Destination.

Medical Expense Benefit

The Insurer will pay this benefit, up to the Maximum Limit shown on the Schedule of Benefits. The Insurer will pay for medical expenses incurred by the Insured within one year from the date of Injury or Sickness provided initial treatment was received during the Trip. The Injury must occur or Sickness must begin while the Insured is covered by the policy.

Covered Expenses: The Insurer will pay the Insured's Reasonable and Customary Charges for medical and surgical expenses. The Insurer will pay emergency dental treatment only during a Trip. Dental coverage does not apply if treatment or expenses are incurred after the Insured has reached his or her Destination, in the case of a one-way ticket, or Return Destination regardless of the reason. The treatment must be given by a Physician or dentist. The Insurer will pay for professional nursing, Hospital charges, X-ray, ambulance services, and prosthetic devices.

If the Insured is covered by any other group, blanket health, accident insurance, or assistance plan, and would, as a result, receive total benefits in excess of the expenses actually incurred, the benefits will be reduced by such excess.

Additional Exclusions: In addition to the General Exclusions, coverage is not provided for: (a) routine physical examinations; (b) replacement of hearing aids, eye glasses, contact lenses, sunglasses, and artificial teeth; (c) routine dental care; (d) any service provided by

the Insured, an Immediate Family Member or Traveling Companion.

Payment of Loss: The Insured must provide the Insurer with: (a) all medical bills and reports for medical expenses claimed; and (b) a signed patient authorization to release medical information to the Insurer.

Emergency Medical Transportation

The Insurer will pay this benefit up to the Maximum Limit shown on the Schedule of Benefits. AIG Travel Assist will arrange for emergency medical transportation services required by the Insured as the result of an Injury or emergency Sickness during a Trip.

Covered Expenses: The Insurer will pay: (a) Reasonable and Customary Charges for medical services required for evacuation to the nearest adequate medical facility or home if medically required. This service will be arranged only if the Insured's Physician determines that adequate medical treatment is not locally available; (b) reasonable and necessary charges for escort expenses required by Insured, if the Insured is disabled during a Trip, and an escort is recommended, in writing, by the attending Physician; (c) reasonable and necessary charges for services for transportation of the Insured's remains to his/her place of residence if he/she dies during a Trip. Services must be provided by a provider designated by AIG Travel Assist.

Additional Benefit: In addition to the above Covered Expenses, if the Insurer has previously evacuated an Insured to a medical facility, the Insurer will pay his/her airfare costs from that facility to the Insured's Return Destination, within one year from the Insured's original Contracted Return Date, less refunds from the Insured's unused transportation tickets. Airfare costs will be economy, or first class if the Insured's original tickets are first class. This benefit is available only if it is not provided under another coverage in the policy.

Additional Exclusions: In addition to the General Exclusions, the Insurer also will not pay for services arranged without the Insurer's prior consent or approval. Timely notification by the Insured to the Insurer's designated provider is required, with regard to Emergency Evacuation.
